As we see in this pictures, the components aren't responsive. In case we dont have the same length in a name or a location, we have display issues

● Articles display

The image size, the text display, the author name display, aren't responsive. As shown in the following photos, 3 articles are not having the same contents (which is normal) aren't well displayed

L'art du Football

Le football est un art qui réunit le monde

Jun 28, 2020

Par Nouhoun Traore

Mon article est super

Ceci est un faux article. N'en tenez pas compte.

Jun 22, 2020 Par Mac ZIMOZA

Les Français et le sport

Article publié pour tester

Jun 22, 2020

Par Majdi Khcharem
